COMPLETE FOPEC SERVICES CATALOGUE

1. ACADEMIC SERVICES

Service	Description	Target Market	Revenue Model
Teaching Notes	Professionally prepared lesson notes aligned with the national curriculum	Schools, Teachers	Annual subscription (100K - 300K per subject)
Exam Setting & Marking	Custom examinations for schools with marking services	Schools	Per subject / per paper (500 - 1,000 UGX per paper)
Revision Materials	Comprehensive revision packages for PLE, UCE, UACE	Schools, Students	Per student / per term (20K - 50K per student)
Schemes of Work	Termly schemes of work aligned with the school timetable	Schools	Per subject / per year (50K - 100K)
Lesson Plans	Detailed daily lesson plans for teachers	Teachers	Per subject / per term
Worksheets	Practice worksheets for learners	Schools, Students	Per topic / per term
Weekly Homework Packages	4-page homework packages distributed every Friday	Schools, Students	Per student / per term (10K - 20K per student)
End-of-Topic Tests	Comprehensive tests after each major topic	Schools	Per topic

2. CAPACITY BUILDING & TRAINING

Service	Description	Target Market	Revenue Model
Teacher Training	Professional development for teachers	Teachers, Schools	Per participant (5K - 10K per participant)
School Leadership Training	Training for headteachers and school administrators	School Leaders	Per participant (5K - 10K per participant)
ICT Literacy	Basic computer and digital skills training	Teachers, Students, Adults	Per participant (10K - 20K per participant)
Curriculum Implementation Training	Training on the new competence-based curriculum	Teachers	Per school (50K - 100K per school)
Exam Preparation Training	Training on setting and marking exams	Teachers	Per school
Pedagogical Skills Training	Modern teaching methods and classroom management	Teachers	Per participant

3. EVENTS & KNOWLEDGE SHARING

Service	Description	Target Market	Revenue Model
Workshops	Skill development workshops for educators	Teachers, Educators	Registration (2K - 5K per participant)
Seminars	Knowledge sharing seminars on education topics	Teachers, Students, Community	Registration (5K - 10K per participant)
Symposiums	Academic symposiums on education issues	Academics, Professionals	Registration / Sponsorship

Public Lectures	Public lectures on education and development	Community, Students	Free / Sponsored
Memorial Lectures	Lectures honoring contributors to education	Academics, Public	Sponsorship
Academic Conferences	Professional development conferences	Educators, Researchers	Registration (10K - 20K per participant)
School Visits	Peer learning visits to demonstration schools	School Administrators	Per visit

4. RESEARCH SERVICES

Service	Description	Target Market	Revenue Model
Academic Research Support	Support for academic research projects	University Students, Researchers	Per project (50K - 300K)
Project Work Guidance	Guidance for student projects	Secondary, University Students	Per project
Research Proposal Development	Assistance with research proposals	Students, Researchers	Per proposal
Data Analysis Support	Support with data analysis for research	Researchers	Per project
Research Report Writing	Assistance with writing research reports	Students, Researchers	Per project
Literature Review Support	Assistance with literature reviews	Students, Researchers	Per project
Research Publication Support	Support for publishing research	Academics, Researchers	Per project

5. LABORATORY & PRACTICAL SERVICES

Service	Description	Target Market	Revenue Model
Lab Supplies	Supply of laboratory chemicals, equipment, and specimens	Schools, Colleges	Retail / Wholesale (5-15% margin)
Lab Clinics	Practical laboratory sessions for students	Schools, Students	Per session
Mobile Labs	Traveling laboratory services to schools	Schools (especially rural)	Per school visit
Lab Equipment Maintenance	Servicing and maintenance of laboratory equipment	Schools, Colleges	Contract / One-time
Science Kit Supply	Supply of science kits for schools	Schools	Retail / Wholesale
Practical Exam Support	Support for practical examinations	Schools	Per school

6. HOLIDAY & EXTRA-CURRICULAR SERVICES

Service	Description	Target Market	Revenue Model
Holiday Packages	Structured learning during school holidays	Students	Per child (10K - 30K per child)
Holiday Reading Programs	Reading and literacy programs during holidays	Students	Per child

Holiday Math Camps	Mathematics enrichment during holidays	Students	Per child
Holiday Science Camps	Science exploration during holidays	Students	Per child
Cultural Activities	Cultural and arts programs	Students	Per child
Sports Programs	Sports and physical activity programs	Students	Per child

7. ADULT & COMMUNITY EDUCATION

Service	Description	Target Market	Revenue Model
Adult Literacy Classes	Literacy programs for adults	Adults	Per term (30K - 50K per person)
Adult Numeracy Classes	Numeracy programs for adults	Adults	Per term
Adult ICT Classes	Basic computer and smartphone training for adults	Adults	Per term
Vocational Skills Training	Vocational skills for adults	Adults	Per course
Community Education Programs	Community-based education programs	Communities	Per program
Parent Education Programs	Parenting and child development education	Parents	Per program

8. CURRICULUM & MATERIALS DEVELOPMENT

Service	Description	Target Market	Revenue Model
Curriculum Mapping	Mapping of curriculum for schools	Schools	Per school
Curriculum Adaptation	Adapting curriculum to school needs	Schools	Per school
New Curriculum Support	Support for implementing the new competence-based curriculum	Schools, Teachers	Annual subscription
Teaching Resource Development	Development of teaching resources	Schools, Teachers	Per resource
Textbook Recommendations	Recommendations for textbooks and resources	Schools	Per school
E-Learning Content Development	Development of digital learning content	Schools, E-Learning Platforms	Per course

9. ASSESSMENT & EXAMINATION SERVICES

Service	Description	Target Market	Revenue Model
School-Based Assessment	Support for school-based assessment	Schools	Per school
Continuous Assessment Systems	Systems for continuous assessment	Schools	Per school
Mock Examinations	Mock exams for PLE, UCE, UACE candidates	Schools, Students	Per student

Exam Analysis & Feedback	Analysis of exam results with feedback	Schools	Per exam
Student Performance Tracking	Tracking and reporting on student performance	Schools	Per school
Assessment Tool Development	Development of assessment tools	Schools, Teachers	Per tool

10. SCHOOL MANAGEMENT SUPPORT

Service	Description	Target Market	Revenue Model
School Management Systems	Installation and configuration of school management software	Schools	One-time (200K - 500K)
School Records Management	Support for student records management	Schools	Per school
School Fees Management	Support for fees collection and tracking	Schools	Per school
School Reporting Systems	Systems for school reporting	Schools	Per school
School Improvement Planning	Support for school development plans	Schools	Per school
School Inspections Support	Support for school inspections	Schools	Per school

11. PLE SPECIFIC SERVICES

Service	Description	Target Market	Revenue Model
PLE Revision Packages	Comprehensive revision for PLE candidates	PLE Candidates	Per student
PLE Mock Exams	Mock exams for PLE candidates	PLE Candidates	Per student
PLE Intensive Classes	Intensive revision classes for PLE candidates	PLE Candidates	Per student
PLE Registration Support	Support with PLE registration	Schools	Per school
PLE Exam Analysis	Analysis of PLE results	Schools	Per school

12. UCE SPECIFIC SERVICES

Service	Description	Target Market	Revenue Model
UCE Revision Packages	Comprehensive revision for UCE candidates	UCE Candidates	Per student
UCE Mock Exams	Mock exams for UCE candidates	UCE Candidates	Per student
UCE Intensive Classes	Intensive revision classes for UCE candidates	UCE Candidates	Per student
UCE Registration Support	Support with UCE registration	Schools	Per school
UCE Exam Analysis	Analysis of UCE results	Schools	Per school

13. UACE SPECIFIC SERVICES

Service	Description	Target Market	Revenue Model
UACE Revision Packages	Comprehensive revision for UACE candidates	UACE Candidates	Per student
UACE Mock Exams	Mock exams for UACE candidates	UACE Candidates	Per student
UACE Intensive Classes	Intensive revision classes for UACE candidates	UACE Candidates	Per student
UACE Registration Support	Support with UACE registration	Schools	Per school
UACE Exam Analysis	Analysis of UACE results	Schools	Per school

14. SPECIAL NEEDS EDUCATION

Service	Description	Target Market	Revenue Model
Special Needs Assessment	Assessment for special needs learners	Schools, Parents	Per assessment
Individualized Education Plans	Development of IEPs for special needs learners	Schools, Parents	Per student

15. ICT SERVICES

Service	Description	Target Market	Revenue Model
Computer Lab Setup	Installation of computer labs in schools	Schools	One-time project
School WiFi Installation	WiFi installation in schools	Schools	One-time project
E-Learning Platform Setup	Setup of e-learning platforms for schools	Schools	One-time setup + support
ICT Infrastructure Support	Support for school ICT infrastructure	Schools	Per school
Teacher ICT Training	Training teachers in ICT skills	Teachers	Per participant
Student ICT Training	Training students in ICT skills	Students	Per participant

16. INFRASTRUCTURE & FACILITIES SUPPORT

Service	Description	Target Market	Revenue Model
CCTV Installation	CCTV installation for school security	Schools	One-time project
Alarm System Installation	Alarm system installation for schools	Schools	One-time project
School Security Assessment	Assessment of school security needs	Schools	Per assessment
Fire Safety Systems	Fire alarm and safety system installation	Schools	One-time project
School Safety Training	Training on school safety	Schools, Staff	Per school

17. SCHOOL STARTUP SUPPORT

Service	Description	Target Market	Revenue Model

School Registration Support	Support with school registration	New Schools	Per school
School Business Plan Development	Development of school business plans	New Schools	Per school
School Startup Guide	Comprehensive guide for starting a school	New Schools	One-time
Teacher Recruitment Support	Support with recruiting teachers	Schools	Per school
School Policy Development	Development of school policies	Schools	Per school

18. SCHOOL IMPROVEMENT SERVICES

Service	Description	Target Market	Revenue Model
School Assessment & Evaluation	Comprehensive school assessment	Schools	Per school
School Development Planning	Development of school improvement plans	Schools	Per school
Teacher Mentorship Programs	Mentorship for teachers	Schools	Per school
Peer Learning Networks	Networks for school peer learning	Schools	Per school
Best Practice Sharing	Sharing of best practices	Schools	Per school

19. PROJECT WORK & EXHIBITIONS

Service	Description	Target Market	Revenue Model
Project Work Guidance	Guidance for student projects	Students	Per student
Project Work Marking	Marking of student projects	Schools	Per project
Science Fair Support	Support for science fairs	Schools	Per school
Academic Exhibition Support	Support for academic exhibitions	Schools	Per school
Project Showcase Events	Events to showcase student projects	Schools	Per event

20. PARTNERSHIP & COLLABORATION SERVICES

Service	Description	Target Market	Revenue Model
School Partnerships	Connecting schools for collaboration	Schools	Per school
Twinning Programs	School twinning programs	Schools	Per school
International Linkages	International school partnerships	Schools	Per school
NGO Collaborations	Collaborations with education NGOs	NGOs	Per collaboration
Government Partnerships	Partnerships with government education programs	Government	Per collaboration

21. DEMONSTRATION SCHOOL SERVICES

Service	Description	Target Market	Revenue Model
School Visits	Visits to Excel Academy School as a demonstration school	Other Schools	Per visit

Peer Learning Exchanges	Exchanges with other schools	Schools	Per exchange
Teacher Observation	Teachers observing at Excel Academy	Teachers	Per visit
Best Practice Sharing	Sharing of best practices from Excel Academy	Schools	Per program

22. PARENT & COMMUNITY ENGAGEMENT

Service	Description	Target Market	Revenue Model
Parent Education Programs	Education programs for parents	Parents	Per program
Parent-Teacher Conferences	Organization of parent-teacher conferences	Schools	Per school
Community Mobilization	Support for community mobilization	Schools	Per school
School-Community Partnerships	Building partnerships with communities	Schools	Per school

23. EMERGENCY & HUMANITARIAN EDUCATION

Service	Description	Target Market	Revenue Model
Emergency Education Kits	Education kits for emergency situations	NGOs, Government	Per kit
Temporary School Setup	Support for setting up temporary schools	NGOs, Government	Per school
Crisis Education Support	Education support during crises	NGOs, Government	Per program
Refugee Education Support	Education support for refugees	NGOs, Government	Per program

24. CONSULTANCY & ADVISORY SERVICES

Service	Description	Target Market	Revenue Model
Education Consultancy	General education consultancy	Schools, Institutions	Per project
Policy Advisory	Advisory on education policy	Government, NGOs	Per project
Program Design	Design of education programs	NGOs, Government	Per project
Program Evaluation	Evaluation of education programs	NGOs, Government	Per evaluation
Strategic Planning	Strategic planning for education organizations	Organizations	Per project

25. PUBLISHING & RESOURCES

Service	Description	Target Market	Revenue Model
Teaching Guide Publishing	Publishing of teaching guides	Schools, Teachers	Per copy / Subscription
Revision Book Publishing	Publishing of revision books	Students	Per copy
Workbook Publishing	Publishing of workbooks	Students	Per copy

Digital Resource Publishing	Publishing of digital resources	Schools, Students	Per resource
Educational Content Creation	Creation of educational content	Schools, Publishers	Per project

26. EXAMINATION PREPARATION

Service	Description	Target Market	Revenue Model
PLE Preparation	Comprehensive preparation for PLE	PLE Candidates	Per student
UCE Preparation	Comprehensive preparation for UCE	UCE Candidates	Per student
UACE Preparation	Comprehensive preparation for UACE	UACE Candidates	Per student
Mock Exam Administration	Administration of mock exams	Schools	Per school
Exam Timetable Support	Support with exam timetabling	Schools	Per school
Exam Supervision	Supervision of exams	Schools	Per school

27. SCHOOL RESOURCE CENTERS

Service	Description	Target Market	Revenue Model
Resource Center Setup	Setting up resource centers in schools	Schools	One-time project
Resource Center Management	Management of school resource centers	Schools	Per school
Resource Center Training	Training on resource center management	Schools, Teachers	Per participant
Resource Center Materials	Supply of materials for resource centers	Schools	Supply contract

28. MENTORSHIP & COACHING

Service	Description	Target Market	Revenue Model
Teacher Mentorship	Mentorship for teachers	Teachers	Per teacher
Student Mentorship	Mentorship for students	Students	Per student
Leadership Coaching	Coaching for school leaders	School Leaders	Per leader
Career Guidance	Career guidance for students	Students	Per student
Study Skills Coaching	Study skills coaching for students	Students	Per student

29. QUALITY ASSURANCE

Service	Description	Target Market	Revenue Model
School Quality Assurance	Quality assurance for schools	Schools	Per school
Teacher Quality Assurance	Quality assurance for teaching	Schools	Per school
Student Assessment Quality	Quality assurance for assessment	Schools	Per school
Curriculum Quality Assurance	Quality assurance for curriculum	Schools	Per school

Exam Quality Assurance	Quality assurance for exams	Schools	Per school

30. STATISTICAL SERVICES

Service	Description	Target Market	Revenue Model
Education Statistics	Collection and analysis of education statistics	Schools, Government	Per project
Student Performance Data	Analysis of student performance data	Schools	Per school
School Performance Data	Analysis of school performance data	Schools	Per school
Education Research	Education research and analysis	Schools, Government	Per project
Data Visualization	Visualization of education data	Schools, Government	Per project

31. EMIS HANDLING SERVICES

Service	Description	Target Market	Revenue Model
EMIS Data Entry	Entering school data into the Education Management Information System (EMIS) portal	Schools	Per school / Per term (50K - 100K per term)
EMIS Data Verification	Verifying and validating EMIS data for accuracy	Schools	Per school / Per term
EMIS Data Cleaning	Cleaning and correcting EMIS data errors	Schools	Per school / Per term
EMIS Data Analysis	Analyzing EMIS data and generating reports	Schools, Government	Per school / Per report
EMIS Training	Training school staff on EMIS data entry and management	Schools, Teachers	Per school / Per participant (5K - 10K per person)
EMIS Reporting	Generating and submitting EMIS reports on behalf of schools	Schools	Per school / Per term (30K - 50K per term)
EMIS Compliance Support	Ensuring school compliance with EMIS requirements	Schools	Per school / Per year
EMIS Software Support	Technical support for EMIS software	Schools	Per school / Per term
EMIS Data Backup	Backing up EMIS data for schools	Schools	Per school / Per term
EMIS Data Security	Ensuring security of EMIS data	Schools	Per school / Per year
EMIS Report Interpretation	Interpreting EMIS reports for school decision-making	Schools	Per school / Per report
EMIS Integration	Integrating EMIS with school management systems	Schools	One-time project (500K - 1M)

32. UNEB PORTAL & REGISTRATION SERVICES

Service	Description	Target Market	Revenue Model
UNEB Portal Registration	Registering schools on the UNEB portal	Schools	Per school (100K - 200K per registration)
PLE Candidate Registration	Registering PLE candidates on the UNEB portal	Schools, Candidates	Per candidate (5K - 10K per candidate)
UCE Candidate Registration	Registering UCE candidates on the UNEB portal	Schools, Candidates	Per candidate (5K - 10K per candidate)
UACE Candidate Registration	Registering UACE candidates on the UNEB portal	Schools, Candidates	Per candidate (5K - 10K per candidate)
UNEB Portal Training	Training school staff on UNEB portal use	Schools, Teachers	Per school / Per participant (10K - 20K per person)
UNEB Portal Troubleshooting	Technical support for UNEB portal issues	Schools	Per school / Per term
UNEB Registration Verification	Verifying registration data for accuracy	Schools	Per school / Per term
UNEB Registration Corrections	Correcting registration errors	Schools	Per school / Per correction
UNEB Results Checking	Checking and downloading UNEB results	Schools, Students	Per student / Per result (2K - 5K per student)
UNEB Certificate Processing	Support with UNEB certificate processing	Schools, Students	Per student
UNEB Exam Entry Support	Support with exam entry on the UNEB portal	Schools	Per school / Per term
UNEB Finalization	Finalizing UNEB registration processes	Schools	Per school / Per term
UNEB Timetable Management	Managing UNEB exam timetables	Schools	Per school / Per term
UNEB Special Needs Registration	Registering special needs candidates	Schools, Students	Per candidate

33. BUSINESS PROPOSAL WRITING SERVICES

Service	Description	Target Market	Revenue Model
Business Proposal Writing	Professional business proposal writing	Schools, Businesses, NGOs	Per proposal (200K - 500K per proposal)
Grant Proposal Writing	Grant proposal writing for funding	Schools, NGOs	Per proposal (300K - 1M per proposal)
Education Project Proposal Writing	Proposal writing for education projects	Schools, NGOs	Per proposal (200K - 500K per proposal)
School Development Proposal Writing	Proposals for school development projects	Schools	Per proposal (200K - 400K per proposal)
Loan Application Support	Support with loan applications	Schools, Businesses	Per application (150K - 300K per application)

Investment Proposal Writing	Investment proposals for schools	Schools, Businesses	Per proposal (300K - 500K per proposal)
Partnership Proposal Writing	Partnership proposals for schools	Schools, NGOs	Per proposal (200K - 400K per proposal)
NGO Project Proposal Writing	Project proposals for NGOs	NGOs	Per proposal (500K - 1.5M per proposal)
Government Project Proposal Writing	Government project proposals	Schools, NGOs	Per proposal (500K - 1M per proposal)
Business Plan Writing	Comprehensive business plan writing	Schools, Businesses	Per plan (500K - 1M per plan)
Strategic Plan Writing	Strategic plan writing for organizations	Schools, Organizations	Per plan (500K - 1M per plan)
Concept Note Writing	Concept note writing for projects	Schools, NGOs	Per concept note (150K - 300K per note)
Research Proposal Writing	Research proposal writing	Researchers, Students	Per proposal (100K - 300K per proposal)

34. ADDITIONAL DOCUMENTATION SERVICES

Service	Description	Target Market	Revenue Model
School Policy Document Writing	Writing school policies (disciplinary, academic, etc.)	Schools	Per document (150K - 300K per document)
School Development Plan Writing	Writing comprehensive school development plans	Schools	Per plan (300K - 500K per plan)
Annual Report Writing	Writing annual reports for schools	Schools	Per report (200K - 400K per report)
Strategic Planning Support	Support with strategic planning	Schools, Organizations	Per engagement (500K - 1M per engagement)
Board Report Writing	Writing reports for school boards	Schools	Per report (150K - 300K per report)
Feasibility Study Writing	Writing feasibility studies	Schools, Businesses	Per study (300K - 500K per study)
Due Diligence Reports	Writing due diligence reports	Schools, Investors	Per report (300K - 500K per report)

FOPEC TECH SOLUTIONS™ (U) LTD is a full-service technology company providing modern, affordable, and reliable technology solutions to schools, businesses, institutions, and households across Uganda. The company does not develop software in-house but installs, configures, and maintains best-in-class hardware and open-source or partner-provided software systems.
Core Philosophy:
"We don't just sell technology – we deliver complete, working solutions that transform how you work, learn, and connect."

FOPEC TECH SOLUTIONS™ (U) LTD – Divisions
FOPEC TECH SOLUTIONS™ (U) LTD operates three core divisions, each addressing a critical technology need:

Division	Core Service	Purpose

JB Tech Installations™	Hardware Installation & Systems Integration	Install and configure CCTV, WiFi, computer labs, alarm systems, access control, and networking for schools, businesses, and homes
JB Tech Connect™	Internet & Connectivity Services	Provide affordable, reliable public WiFi, private broadband, and last-mile internet connectivity to schools, communities, and businesses
JB Tech Digital™	Digital Solutions & ICT Services	Offer website development, school management system setup, e-learning platforms, data entry, EMIS handling, and IT support services

FOPEC Tech Installations™ – Hardware & Systems Integration

This division handles physical installation of technology infrastructure. It serves schools, hotels, retail stores, offices, factories, and residential properties.

Service	What We Actually Do	Target Market	Price Range (UGX)
CCTV Installation	Install cameras, DVR/NVR, cabling, configure recording system, provide remote viewing access	Schools, businesses, homes, hotels	400,000 – 1,500,000
WiFi Network Installation	Install enterprise-grade routers, access points, configure secure networks with user management	Schools, hotels, offices, apartments	200,000 – 800,000
Computer Lab Setup	Assemble computers, network them, install operating systems and educational software	Schools, training centers, NGOs	500,000 – 2,000,000
Access Control Systems	Install biometric fingerprint/face scanners, door access systems for secure areas	Offices, schools, banks, hospitals	600,000 – 2,500,000
Fire Alarm & Safety Systems	Install smoke detectors, fire alarm panels, and emergency alert systems	Schools, hotels, hospitals, factories	500,000 – 3,000,000
Public Address (PA) Systems	Install speakers, amplifiers, and microphone systems for announcements and events	Schools, churches, stadiums, offices	300,000 – 1,500,000
Network Cabling & Structured Cabling	Run CAT6 fiber optic and ethernet cabling for reliable high-speed networks	Offices, data centers, schools	150,000 – 500,000 per drop
Solar Power Systems	Install solar panels, inverters, batteries for off-grid and backup power	Schools, rural businesses, homes	1,500,000 – 10,000,000
Interactive Whiteboards & Projectors	Install smart boards and projectors for modern classrooms and boardrooms	Schools, corporate offices	1,000,000 – 5,000,000
TV & Digital Signage Installation	Install display screens for information, advertising, and teaching	Schools, hotels, retail stores	300,000 – 2,000,000

UPS & Power Backup Systems	Install uninterruptible power supply and backup systems to protect equipment	Offices, schools, hospitals	200,000 – 1,500,000
Automated Gate & Barrier Systems	Install electric gates, boom barriers, and parking control systems	Homes, schools, offices, hotels	1,000,000 – 4,000,000

FOPEC Tech Connect™ – Internet & Connectivity Services

This division provides internet access solutions, bridging the connectivity gap for schools, businesses, and communities.

Service	Description	Target Market	Price Range (UGX)
Public WiFi Hotspots	Install voucher-based public WiFi in town centers, markets, and public spaces	Town centers, marketplaces, bus parks	Voucher-based (500 – 22,000)
School Broadband	Provide dedicated high-speed internet for schools with content filtering and monitoring	Schools (primary, secondary, tertiary)	150,000 – 500,000/month
Home Broadband	Provide reliable fixed wireless internet for residential homes	Households	50,000 – 150,000/month
Business Dedicated Internet	Provide high-speed, low-latency internet with SLAs for businesses	Offices, hotels, retail stores	300,000 – 2,000,000/month
Community WiFi	Set up shared WiFi zones in rural or underserved communities	Rural communities, villages	Project-based
WiFi-as-a-Service (WaaS)	Manage WiFi networks for hotels, restaurants, and events on a subscription basis	Hotels, restaurants, event venues	100,000 – 500,000/month
Internet Cabling & Fiber Installation	Install fiber optic and ethernet cabling for high-speed internet delivery	Schools, offices, apartment complexes	200,000 – 1,000,000
Bandwidth Management & Monitoring	Monitor and manage internet usage to ensure fair distribution and optimal performance	Schools, businesses, ISPs	50,000 – 200,000/month
WiFi Network Auditing & Security	Assess, secure, and optimize existing WiFi networks	Businesses, schools, hotels	150,000 – 500,000

FOPEC Tech Digital™ – Digital Solutions & ICT Services

This division focuses on software, digital content, and ICT support services.

Service	Description	Target Market	Price Range (UGX)
School Management System Setup	Install and configure open-source systems (OpenSIS, Gibbon, Moodle) for student records, grades, attendance, fees	Schools	200,000 – 500,000

Website Development	Build professional websites for schools, businesses, and institutions	Schools, businesses, NGOs	500,000 – 3,000,000
E-Learning Platform Setup	Install and configure Moodle or other LMS platforms for online learning	Schools, universities, training centers	300,000 – 1,000,000
EMIS Data Handling	Enter, verify, clean, and submit Education Management Information System data for schools	Primary & secondary schools	50,000 – 100,000/term
UNEB Portal Registration	Register candidates for PLE, UCE, and UACE on the UNEB portal	Schools	5,000 – 10,000 per candidate
Student Performance Tracking Systems	Set up systems to track and report student performance	Schools	150,000 – 400,000
School Fees Management Systems	Install systems for tracking and collecting school fees	Schools	150,000 – 400,000
Data Backup & Security	Set up automated backup systems and data security protocols	Schools, businesses	100,000 – 300,000/year
IT Support & Maintenance	Provide ongoing technical support, troubleshooting, and maintenance	Schools, businesses	100,000 – 500,000/month
Teacher & Staff ICT Training	Train teachers and staff in basic computer skills, software use, and digital literacy	Schools, institutions	5,000 – 10,000 per participant
POS (Point of Sale) System Setup	Install and configure POS systems for retail stores and restaurants	Retail stores, restaurants, hotels	200,000 – 500,000
Digital Content Creation	Create videos, animations, and interactive content for teaching and marketing	Schools, businesses	Project-based
